MEMORANDUM FOR: Deputy Director for Administration

THROUGH   : Chief, Interactive Systems Branch
                   Chief, Systems Programming Division
                   Deputy Director for Processing, ODP
                   Director of Data Processing

SUBJECT   : Chairing Sessions at the SHARE 60.5 Conference

1. I request permission to appear before a non-Government group as
provided for in [ ]   STAT

2. When approved, I will chair three meetings open to all attendees at
the SHARE 60.5 Conference in Phoenix, Arizona, during the week of 22 May.
I will be attending the conference as a representative of the Agency and I am
serving as the Deputy Manager of the VM/System Management Project within
the SHARE organization. The audiences are expected to be comprised of up
to 40 persons from the United States and Canada representing organizations
running large IBM computers. The meetings will be held in the Phoenix
Hilton Hotel; the risk to employee safety is minimal. Members of the press
are barred from attending sessions at this conference.

3. I will be moderating discussions; none of my remarks will be classi-
fied or controversial. The sessions that I am scheduled to chair are:

a. Saved System Considerations for Large Systems. Participants will
    discuss requirements for sharing storage among applications on
    large-scale interactive computer systems.

b. Performance Analysis Brainstorming. Participants will discuss
    various techniques for analyzing the performance of interactive
    computer systems.

c. Performance Analysis Requirements. Participants will discuss defi-
    ciencies of existing tools and data collection facilities for analyzing
    interactive computer system performance. and potential remedies for
    these inadequacies.

The Agency runs the largest VM/CMS computer system in the world. It is
through the visibility we enjoy in organizations such as SHARE that we are
able to attract skilled computer scientists to the Agency, as well as to influ-
ence the decisions of the computer vendors upon whom we are dependent.
